7 Sydenham Street
SEDDON VIC 3011

3rd October, 2012

Dear Andrew,

On behalf of the Clean Water & Education Project (CWEP), I would like to thank you for your generous support of the CWEP. We received your contribution of AU\$325.06 on date 27th September, 2012.

Your commitment to helping the people in needs in our communities is sincerely appreciated.

Each year the CWEP continues to advance its mission of installing the water wells to provide clean water for the poor people in rural communities. Through our programs of Clean Water we have seen many lives changed for the better. By having water, they become self-sustainable by planting second crops for their daily food or selling in the local market for additional income.

The CWEP was established to help raise and improve the livelihood of the Cambodian people in need and that do not have the resources to pay for the construction of the wells on their own. We provide the construction of the wells that help sustain their lives. The CWEP tries to change their conditions of drinking muddy water into drinking clean water for a healthier and higher standard of living. Our project is key to supporting and helping those in need to become self-sustainable.

The goal of the CWEP is to continue to make a different in the Water Program. With the help of donations from supporters such as you we will continue to see improvements in Water Program. Thanks again for your generous support the CWEP. We feel the ongoing, positive results of this endeavor will benefit our community for years to come.

We are sincerely grateful for your support. Please do not hesitate to contact me should you have any further questions.

Respectfully,

Chantrea CHHUON Mr.
Director
